APPEAL BOOK ENDORSEMENT

[1] We are satisfied on the basis of this record and upon reading the reasons of the motion judge and the evidence he considered that there was a proper basis for him to conclude that the security for costs had not been paid into court

as required by the order of Crane J. Accordingly, the action was properly dismissed and we dismiss this appeal.

[2] Costs to the respondent fixed at \$10,000 inclusive of disbursements and taxes. We make that award in view of the repeated unfounded public allegations of improper conduct levelled against counsel for the respondent.

[3] We dispense with the need for the appellant to approve the form and content of this court's formal order.
