A.F., acting in person

Heard: April 10, 2015

On appeal from the order of Justice Francine E. Van Melle of the Superior Court of Justice, dated July 11, 2014, with reasons reported at 2014 ONSC 4193.

ENDORSEMENT ON COSTS

[1] The appellant was unsuccessful on this appeal (2015 ONCA 290). The respondent claims costs in the amount of \$800, which is mostly disbursements.

The appellant submits a costs outline seeking about \$900. This shows that the respondent's claim is not unreasonable.

[2] There is no reason in the circumstances why the ordinary costs rule should not apply. The successful respondent is entitled to his costs fixed in the amount of \$800, payable within 30 days under the *Rules of Civil Procedure*.
